Be inspired come and view our vast range of pots and water features.

The business has grown from listening closely to customer feedback resulting in an enterprise reflecting modern lifestyles. This evolution provides our team with the dynamic ability to best serve.

Have you ever looked at an old picture of yourself with a 'fashionable' haircut and asked "What was I thinking?" Landscaping follows fashion trends too, without the speed of change associated with hair design! Call today to discuss your garden tidy up, makeover or complete redesign.

The House of Paving and Pots

The largest selection of Pots, Pavers and Water features on the Central Coast. Call in to view the complete range.

📍 481 The Entrance Road, Erina Heights, NSW 2260
